Dear Robert,

On behalf of the South Bay Cities Council of Governments and the South Bay Environmental Services Center, we extend a sincere thank you for your presentation at our April 21st South Bay Cities Green Task Force meeting. We continue to be impressed with your accomplishments on your *Green Idea House*, and thank you for sharing how you met one of your first milestones: Reducing Trash and Demolition Debris.

Your commitment to this green idea is inspiring and is a showpiece for a greener South Bay. We look forward to continuing to follow your progress and share it with our members.

Sincerely,
